Dear Andrew,

Our annual Kings' Carnival is the major fundraiser for our school which allows us to purchase facilities and equipment for our students which would otherwise not be attainable.

Please accept our heartfelt **thanks for your wonderful donation of \$2000 of Services in Kind to our fete (Prince Sponsorship)**. Thanks to the kindness and generosity of businesses such as yours, we are able to make a difference to our students, the facilities and the environment in which they learn and grow.

Attached to this letter is a certificate that we hope you will display in your premises for your customers to see – they should know how much we appreciate your support of our school and our community.

Once again, thank you for helping us to make our Kings' Carnival a success.

Yours Sincerely,

Karen Salter
