**GEC "RESTORE THE FLOOR" TRIVIA NIGHT
JUNE 16, 2012**

Dear Friend of Glen Eira College,

Our college community is delighted with the superb support of local traders and other friends of Glen Eira College which made our Trivia Night such a wonderful event.

Your gift was a much appreciated addition to our Trivia Night event, either as one of many raffle prizes or silent auction items. All these donations ensured that our fundraiser to "Restore the (gym) floor" was amazingly successful in both community- building and fundraising. It will lead to a greatly improved sporting facility for our students and the broader community.

All donations will be advertised in our newsletter, and were listed on each of the 22 tables for the more than 200 local participants who attended the event. We are also producing certificates for display.

On behalf of our college community, students, staff and parents, thank you again for your generous support.

Yours truly

Lesley Lamb
Principal
