Dear Andrew,

Our annual school fete, Kings' Carnival, is the major fundraiser for the King David School Parents Association and it allows us to purchase facilities and equipment for our students which would otherwise not be attainable.

Please accept our heartfelt thanks for your wonderful contribution to the fete. Thanks to the kindness and generosity of businesses such as yours, we are able to make a difference to our students, the facilities and the environment in which they learn and grow.

Once again, thank you for helping us to make our Kings' Carnival a success.

Yours Sincerely,
